

FOR IMMEDIATE RELEASE

There's a New Marshall in Town
Marshall Joins Thompson Pump Team

PORT ORANGE, Fla. (June 21, 2007) - Thompson Pump & Manufacturing Co., Inc., a full-service manufacturer and provider of high quality pumps, pumping equipment and engineering expertise, has hired Gary Marshall as a Sales Representative for the public works department.

Marshall has 25 years industrial equipment sales experience with pumps, instrumentation, controls, and valves. He will focus on new business development in the municipal market of south Florida.

Thompson Pump is an industry leader in the development of high quality engine-powered portable pumps, ranging in size from 2"-18", for use in varied applications in the areas of public works, municipalities, construction, agriculture, dewatering, mining, sewer/lift stations, and water/waste water. The company sells and rents their entire line of dewatering pumps including wet and dry prime trash pumps, sound attenuated models, diaphragm pumps, hydraulic submersible pumps, high pressure pumps and wellpoint pumps as well as bypass systems, wellpoint systems and a complete line of pumping accessories.

Thompson Pump, a family-owned company based in Port Orange, Fla., is a full-service manufacturer and provider of high quality pumps, pumping equipment and engineering expertise for the toughest dewatering, bypass and emergency pumping applications. Since 1970, Thompson Pump has assisted contractors worldwide with pump rental, sale, design, installation and operation. Thompson Pump operates sales, rental and service centers throughout Florida and in Georgia, Kansas, Louisiana, Maryland, Mississippi, New England, North Carolina, South Carolina, Virginia and West Virginia. The company is also aligned with more than 30 regional, national and international distributors in the United States, Canada, Mexico and the Caribbean. Thompson Pump is a Blue Chip Enterprise Award winner and their products meet the requirements for certification as defined by the Contractors Pump Bureau.
