

CAPABILITY STATEMENT

Thompson Pump & Manufacturing Company
4620 City Center Drive • Port Orange, FL 32129
PH: 800-767-7310 FX: 386-761-0362

CORE COMPETENCIES

- Thompson Pump provides high quality portable pumps including: wet prime trash pumps; dry prime trash pumps with compressor-assisted or vacuum-assisted priming systems; sound attenuated pumps; utility trash pumps; diaphragm pumps; hydraulic power units with submersible pump heads; rotary pumps, vacuum and piston wellpoint pumps and high pressure solids-handling pumps.
- Offers complementing accessory hoses and piping.
- Provides engineering services and consulting for complex projects in well point, dewatering, bypass applications and many more
- Offers pump and dewatering education and training through its **Pumpology®** courses.

DIFFERENTIATORS

- Thompson Pump offers **dependable**, highly **efficient** and **low** maintenance cost on all of its products.
- The exclusive **Enviroprime System®** provides reliable, automatic priming with an environmental advantage.
- **Silent Knight®** sound attenuation enclosures reduce pump operation sound levels by 20+ decibels.
- One of few pump companies to have achieved **ISO 9001-2008** quality certification for their manufacturing facility.
- Products meet the requirements for certification as defined by the **Contractors Pump Bureau**.
